

HARBOUR LIGHTS

NEWS FOR MEMBERS OF HARBOUR CITY YACHT CLUB – OCTOBER 2007

DATES TO NOTE

Saturday, October 6 at 1700. Join us at the Clubhouse for

Oktoberfest

Tickets are \$5. To reserve please call Director **Nancy Kendrew** at (416) 566-2879. BBQ'd sausages galore, but BYO Beer. There are door prizes to be won and warning - there will be "oom-pah-pah" music!

Tuesday, October 9 – The HCYC Clubhouse will finally be hauled out for inspection and some minor repairs. If you are available for Fall clean-up work parties this week, please coordinate with Vice-Commodore **Claude Alexander** (416) 305 8830.

Saturday and Sunday, October 13 and 14 – Club house painting and clean-up work party needed. Again, give your name to the Vice-Commodore. Please remember that ours is a voluntary club and to keep it running without increasing fees, members are expected to volunteer for some work during the year. When the club house is re-launched after this work, we will winterize it and the dock will not be re-attached. Next Spring we will rebuild the docks with a new configuration to get away from the Mediterranean moorings.

Saturday, October 27 at 1800. The HCYC **Annual General Meeting** will be held in The Celebrity Club, 110 The Esplanade, between Church and Jarvis, followed by social activities at 1900 approximately. As this location is easy to reach by public transit and there is plenty of public parking, we are hoping for a better attendance than in past years. After the formal agenda is completed, the Commodore, **Nigel Napier-Andrews**, will open the bar, where he serves as volunteer bartender. A full range of drinks, beer and wine are available for low prices and food will be served.

Cruising flags will be handed out to those who participated in club cruises this year with thanks for their attendance.

Last year's minutes, vote proxy, agenda, slate of directors for election and other documents are being mailed to all members during the first two weeks of October. Please call the Commodore if you do not receive your mailing.

Tuesday, January 1 at noon. Assuming our clubhouse is floating again, please join us for the Commodore's **New Year's Day Levée**. More details and a confirmation to follow.

February (date to be determined) at 1800. Once again we will gather with club members, boating friends and fellow boaters from the Toronto Island Marina to commiserate about the winter and celebrate the fact that launch is only eight weeks or so away.
